Is Your Piano Only a Piece of Furniture

Unfortunately this is true in some cases—in homes where music is craved and wanted—and all because "no one plays the piano." Nowadays the

AEOLIAN PLAYER PIANO comes to the rescue. The old instrument is exchanged for an "Acolian" and the home is filled with music.

Let us show you how easily you can own this Player Plano. Do not risk future happiness with a cheap player, get an Acolian Player Piano-it's good
